Our Instructors

Barbara Berry is a local artist whose interests include ceramics, fabrics and fiber, and watercolor. She is enthusiastic and experienced in teaching others and has an extensive and diverse background in the arts.

Rebecca Currie has been making her own cleaning products since 1999 and is passionate about promoting simple and healthy alternatives to toxic and/or wildly overpriced commercial cleaners.

Ruth Warren is the owner/operator of Mommies Quilts and Creations, a small arts and crafts business that specializes in making quilted creations from vintage and recycled textiles. Ruth began her first quilt project in high school, and with it began a life-long love of scrap quilting, a time-honored method of recycling scrap fabrics that is as old as quilting itself. Her creations range from functional items including pillows, table covers and bed quilts to more decorative creations of wall art and even holiday creations like greeting cards and ornaments.
